A close-up photograph of a grey, rectangular electrical control box. On the front face, there is a black rotary switch with positions labeled 1, 0, and 2. To the right of the switch is a yellow push-button with a red top half and a green bottom half. The box is mounted on a blue surface, and a red cylindrical component is visible below it.

??? ?????? ?????

A close-up photograph of the grinding wheel and its protective guard on a bench grinder. The grinding wheel is a reddish-brown abrasive disc mounted on a blue metal frame. A clear plastic safety guard is partially open, revealing the wheel. The machine is mounted on a white base with blue components.
